VISION

Our Vision, underpinned by our commitment to Organizational Excellence and unwavering Core Values, is to provide best-in-class logistics solutions for an active Supply Chain, even in the most intricate and complex situations. This dedication drives our service to customers in the energy and oil field supply industry.

MISSION

Our Mission is to become the most sought-after name for oil field and energy supply requirements in Kuwait, providing seamless and uninterrupted service to meet the demands of this vital industry.

GOALS, WE STRIVE TO ACHIEVE

- Deliver top-notch products and services consistently.
- Set reliable and timely delivery schedules.
- Pursue improvement through measurable and achievable goals.
- Ensure total customer satisfaction through specific feedback mechanisms.
- Enhance employee capabilities through specific training programs.
- Implement a measurable system for maintaining accurate inventory.

DEDICATION AND CARE

Our team of professionals is dedicated to meeting every requirement with care and compassion to ensure the satisfaction of our customers and communities.

ENGAGEMENT & INCLUSIVITY

We approach every project and task with thorough engagement, exploring all possible options to ensure precise execution. Delivering high-quality service is embedded in our DNA.

RESPONSIBILITY

Responsibility is our hallmark, and our deliveries are a testament to our unwavering commitment to excellence, consistently yielding outstanding results.

YOUR RELIABILITY SOURCE (YRS)

At Next Oil Solutions, our commitment to quality is not just a promise; it's a deeply ingrained principle that shapes our policies, procedures, and lasting collaborations. Through initiatives such as 'Your Reliability Source (YRS)' and our roster of approved suppliers, we strive to infuse every product with our fundamental values, establishing new standards for quality and innovation. Discover the depths of our proactive approach, where we make a tangible impact on product integrity.

EXPERIENCE THAT YOU CAN COUNT ON

With decades of experience in the oil and gas industry, our team has honed its expertise in a myriad of areas. Our professionals are well-versed in intricate planning and meticulous processes, ensuring that every step of our work aligns with the industry's stringent quality standards. We offer a wide range of services within the oil and gas sector, supporting services for exploration, drilling, refining, and distribution, and our team's extensive experience in these areas positions us as a reliable partner for any project in this industry. Our knowledge extends to environmental compliance, safety protocols, and cutting-edge technologies, giving us a competitive edge that we bring to every project. Whatever may be the requirements, our team's vast experience ensures that your oil and gas needs are met with precision and quality.

STRATEGIC SOURCING

With strategic sourcing offices in the GCC and USA, we have established strong bonds with trusted vendor associates, emphasizing service quality and punctual delivery. Our global network of associates and suppliers forms the foundation of our unwavering commitment to client satisfaction. We are dedicated to delivering top-tier service and excellence across our sourcing operations.

STRONG AND WINNING PARTNERSHIPS

We believe in working hand in hand with our customers, forging strong partnerships built on trust, ownership, and a passion for success. Our approach involves aligning with our customer goals and going the extra mile to ensure their objectives are not just met but exceeded. It's not just business; it's a shared journey towards realizing your aspirations.

LONG-TERM COMMITMENT; PREFERRED CHOICE

Our enduring commitment is to build lasting relationships with esteemed customers, solidifying our position as the preferred choice in the oil and gas supply chain. We look forward to a shared journey that is marked by trust, reliability, and an unyielding aspiration for excellence in our industry. Together, we aim to create a partnership that stands the test of time.
